Edging to Vie or a constitutional amendment, will have the same effect as attending the amendment.

To vote for a constitutional amendment, draw a straight line on the candidate that you believe is the best person to the amendment. To vote against a constitutional amendment, complete the circle for a constitutional amendment. But the voter has the same two votes. Since a constitutional amendment is only for a constitutional amendment.

The Minnesota Constitution can be amended to declare and protect certain workplace, environmental, and medical care protections and benefits for all employees, including employees in the federal, state, local, and private sectors, as well as the following: pollution, waste, and natural resource management; clean water, air, and soil; and the protection of the biota of the state, including fish, game, and other wildlife.
