STRENGTHEN SCHOOLS STRONG
CITY REFERENDUM

The Board of Special School District No. 1, Minneapolis Public Schools, has proposed to finance the school district's existing facilities and to acquire land for property for educational purposes through a referendum. The maximum amount of increased revenue per pupil will be $3,593. Beginning in 2013, the amount will be reduced if the district fails to meet the academic performance targets for three years in a row. The referendum will also provide additional revenue for additional facilities and equipment to improve the learning environment for students. If approved, the funds raised by this referendum will be used to finance the construction of new buildings and improvements to existing buildings in the district. The referendum will be held on November 3, 2009. Please circle "YES" or "NO" below, as you desire.
