| <b>APPROVAL OF SCHOOL DISTRICT CAPITAL PROJECT LEVY AUTHORIZATION</b>  | <b>COURT OF APPEALS</b>  |  |
| The board of Special School District No. 6 (South St. Paul Public Schools) has proposed a capital project levy authorization in the amount of 4.11% times the net tax capacity of the school district to provide funds for the purchase and installation of software and technology equipment and the support and maintenance of technology, with that technology concentrated in the areas of student computing and technology enhanced classrooms. A portion of this proposed authorization would replace the school district's prior authorization which will expire after taxes payable in 2009. The proposed capital project levy authorization will raise approximately \$750,000 for taxes payable in 2010, the first year it is to be levied, and would be authorized for ten years. The estimated total cost of the projects to be funded over that time period is approximately \$7,500,000. The projects to be funded have received a positive review and comment from the Commissioner of Education. | <b>JUDGE 16</b><br>VOTE FOR ONE                                  | <input checked="" type="radio"/> KEVIN W.
