A portion of this proposed authorization would replace the school district's prior authorization which will expire after taxes payable in 2009. The proposed capital project levy authorization will raise approximately \$750,000 for taxes payable in 2010, the first year it is to be levied, and would be authorized for ten years. The estimated total cost of the projects to be funded over that time period is approximately \$7,500,000.
