| The School Board of Independent School District No. 142 (Clearfield) has proposed to increase its general education revenue by an additional $15 per pupil. The proposed referendum-revenue authorizations would be used for necessary bonding for construction, maintenance, or repair of district facilities. If approved, the additional revenue would be used to provide educational programs and services as provided by law. The School Board's referendum Question 1 is approved, then the additional revenue is the revenue proposed by the school board. If School District Bond Question 2 is approved, then the additional revenue is the revenue proposed by the school board.
