QUESTION
RENEWAL OF SCHOOL DISTRICT SPECIAL ELECTION

The School Board of the Independent School District No. 728 (Elk River) has determined that the current special election is necessary to continue to provide educational services for the school district's students. The proposed renewal will authorize the issuance of bonds to finance the construction of new schools and the improvement of existing facilities.

The renewal of the special election is necessary because the current funding does not provide adequate resources for the educational needs of the students.
