PASSAGE OF THIS REFERENDUM WILL RESULT IN AN INCREASE IN YOUR PROPERTY TAXES.

SCHOOL DISTRICT BALLOT QUESTION 1
APPROVAL OF REVENUE INCREASE FOR FUNDING EQUAL TO MINNESOTA AVERAGE

The School Board of Independent School District No. 742 (St. Cloud) has proposed a referendum to increase the existing property tax rate of $3.67 per $100 of valuation (as shown on the tax statement) to a rate proposed of $3.77 per $100 of valuation. The proposed referendum revenue authorization would be applicable for six years unless otherwise specified in the final referendum. The referendum would fund the costs of operations and capital improvements necessary to maintain the educational system at the same level, and to meet the needs of the school district. The additional millage would be the result of increased costs due to inflation and increases in mandated requirements by the legislature. The referendum would result in an increase in the tax levy by $0.10 per $100 of valuation for the first four years. The 10th and 14th Amendment of the Minnesota Constitution require that the general fund of the school district be financed primarily from local property taxes.

The referendum would result in an increase in the tax levy by $0.10 per $100 of valuation for the first four years. The 10th and 14th Amendment of the Minnesota Constitution require that the general fund of the school district be financed primarily from local property taxes.
